

# Student Lounge Space

Places to hide, sleep, study and regroup

## Medical Student Lounge

Couches, computers, TV, fridge and lockers

### **Room 4207, North Tower** (Code 9-7-1-3-5)

Located on the 4<sup>th</sup> floor. Take the Atrium elevators to the 4<sup>th</sup> floor. Exit the elevator landing area to the left, and then take the next right. Follow the hallway with the windows; room 4207 will be the last door on the left before you reach the reception desk for the 4<sup>th</sup> floor units.

## Call Rooms

The medical students have the following call rooms reserved. They have full sheets, blankets and pillows. The new bunks have extra thick upgraded mattresses (very comfortable!). Sleep rooms are cleaned daily. However, a modicum of personal cleanliness is necessary to keep the spaces habitable for all.

### **Room 5102, North Tower** (Code 9-7-1-3-5)

Located on the 5<sup>th</sup> floor. Take the Atrium elevators to the 5<sup>th</sup> floor. Exit the elevator landing area through the door at the back. Follow the hallway to the right; 5102 is the last door on your left.

### **Room 6457, North Tower** (Code 9-7-1-3-5)

Located on the 6<sup>th</sup> floor. Take the Atrium elevators to the 6<sup>th</sup> floor. Exit the elevator landing area to the left, and then take the next right. Follow the hallway with the windows. 6457 is located inside the hospital unit to the right (not the unit straight ahead).

### **Room G-006.3, South Tower** (Code 5-0-2-9-1)

Located on the Ground floor in the G-006 call suite. Take the Patient Elevators from the main entrance down to the Ground floor. Exit the elevator landing area straight ahead; enter G-006, and G-006.3 will be straight ahead. Use the same code for both doors.

### **Room 2021, South Tower** (Code 5-0-0-7-7)

Located on the 2<sup>nd</sup> floor. Take the Patient Elevators from the main entrance to the 2<sup>nd</sup> floor. Exit the elevator landing area to the left. Enter the unit directly ahead through the doors to the left of the Surgery check-in. Take the first door to the left, and then the next left. 2021 will be on your left.

## Lockers

Students are responsible for providing their own locks for the lockers. Abandoned lockers will be cleared in December and April each year; please be sure to respond when you see a notice posted if you are still using your locker!
